#### About **KHULISA SOCIAL SOLUTIONS**

*Leading South African NPO, Khulisa Social Solutions was established in 1997, and has provided more than two decades of highly successful community innovations and interventions to many thousands of vulnerable beneficiaries. Khulisa has provided more than just support and developmental proficiency in addressing inequalities and vulnerabilities through our strategic partnerships.*

*We work to provide intense, pro-active, community engagement, consultation and understanding.*

*The focus of Khulisa Social Solution’s programmes is to empower marginalised people who face discrimination as an everyday reality.*
